Like the Tigers, They were Champions

There was ease in Casey's manner as he stept
into his place,
There was pride in Casey's bearing and a
smile on Casey's face,
And when responding to the cheers he lightly
doft his hat,
No stranger in the crowd could doubt, it was
Casey at the bat.
And now the pitcher holds the ball, and now
he lets it go,
And now the air is shattered by the force of
Casey's blow.
Oh, somewhere in this favored land the sun is
shining bright;
The band is playing somewhere, and somewhere
hearts are light,
And somewhere men are laughing, and little
children shout;
But there is no joy in Mudville—mighty
Casey has struck out.

Mathematics-Tool of the Questing Mind

"If we work upon marble,
it will perish;
if we work upon brass,
time will efface it.
If we rear temples,
they will crumble to dust.
But if we work
upon men's immortal minds,
if we imbue
them with high principles,
with the just
fear of God
and love
of their fellow men,
we engrave
on those tablets
something
which no time
can efface,
and which will brighten

The hours
of
recording
have passed
on
wing-tipped
feet;
there are
no doubt
things left
undone,
unsaid,
unengraved;
however,
the great
Clock-setter,
Time,
forbids us
hours,
yea,
even moments
to revise,
to add,
indeed
to change
at all.
Like life,
itself,
that which
is undone
or done
incorrectly
cannot
be recalled.
We trust
we have
justly
chronicled
your
hours

DAVE "IT"

I hope you will remember all the fun times we've have throughout the years especially Mr. Study Hall. & I youre really a great guy & I had such a riot with you. Take care of your mother & I hope you'll still come see me. I want to thank you for everything you've helped me with (boy, you're just "thrilled" with me & I know you're right). Oh never mind, just be good (to Stitches - she's nice) & take care & help you. Lucky dwarf

Best of Love ya
